IMPORTANT INFORMATION REGARDING PORTABLE SOLAR SYSTEM

We suggest four weeks in one location before changing batteries and moving the device. Even if the unit is still operational, swap the battery to ensure a regular charging cycle for both.

At present, we could deliver the above products within approximately 6 - 8 weeks from receipt of the written Official Purchase Order.

This quotation is valid for a period of thirty days from the above date and is subject to our Terms & Conditions of Trading as per attached.

Please do not hesitate to contact me if you require any further information and I will be happy to help.
